We are asking for no bibles to be donated because the company offers us to purchase a journey book for them, like a bible, in their own language and every box will be receiving one.

Be mindful of how big your items are as well because we want to get as much as we can into a shoebox for them and we would like a good variety of items.

If you have questions about an item please contact or you may also go to the website to check as well:
